

# Again and Again

## Great White

Once upon a time not so very long ago  
There wasn't such a thing as a rock 'n roll show  
You had to sit at home and listen to the radio  
Then came a man with a rockin' guitar  
Found himself a beat and he played it near and far  
Everybody danced and sang and let the good times roll  
Again, again, again, again, again, again, again  
Why don't you do it, why don't you do it again?  
Again, again, again, again, again, again, again  
Why don't you do it, why don't you do it again?  
Traveled round the world in a rock 'n' roll band  
He stood there like a child with a guitar in his hand  
Everybody danced and sang and let the good times roll  
Nobody cared about the clothes he'd wear  
Nobody cared about the color of his hair  
Everybody came to see and let the good times roll  
Again, again, again, again, again, again, again, again  
Why don't you do it, why don't you do it again?  
Again, again, again, again, again, again, again  
Why don't you do it, why don't you do it again?  
Now we got the rhythm, now we got the rock  
Time didn't matter, never living by the clock  
Everybody came to hear him play his rock 'n roll  
Then came a line when the music didn't rhyme  
Couldn't find the rhythm 'cos he couldn't find the time  
Still the people came to listen to the good times roll  
Again, again, again, again, again, again, again, again  
Why don't we do it, why don't we do it again?  
Again, again, again, again, again, again, again, again  
Why don't you do it, why don't you do it again?  
Again, again, again, again, again, again, again, again  
Why don't you do it, why don't you do it again?  
Why don't you do it, why don't you do it again?  
I said, why don't you do it, why don't you do it again?
