

Footstompin' Music

Grand Funk Railroad

Come on everybody
We're gonna have a good time
Gimme all the love that's in ya
I'm gonna give ya mine I wanna hear some hand clappin'
I want you to get in the groove
We're gonna play this footstompin' music
Everybody get up and groove Does everybody want to?
Does everybody want to?
Does everybody want to? Everybody want to
Everybody want to
Everybody want to Come on, right now
Everybody
