The Best Thing In the World

Sicko

playing in this bad pop band
was the best thing that I ever did
playing in a punk rock band
was a lot more fun than anybody ever saidthe best thing in the world
doing what you want to dothe skinheads frat boys and crusty punks
the heavy metal soundmen and stupid drunks
all conspire to drive me away
but they can't compete with my desire to playthe best thing in the world
doing what you want to do
