Cocteau Twins

There is a wait and that's what hurt
Makes it happen, fill the gap
It spreads her hair all about
My steps, if I do it slowNo, no threats
No, no fights
No fantasies
LucyI hurry back to make him feel
(Lucy, Lucy, Lucy)
I have to make him feel better
(Lucy, Lucy)
And oh, I know, no I can't freshness
You amaze meNo, no threats
No, no fights
No fantasies
LucyNo, no threats
No, no fights
No fantasies
LucyHow he'll never come to freshness
You amaze me
How he'll never come to freshness
You amaze me, you amaze me(You amaze me)
How he'll never come to freshness
(You amaze me)
Looking at love as faces I could give this
(You amaze me)
No threats, no fights, no fantasies
(You amaze me)
You amaze me, you amaze meNo, no threats
No, no fights
No fantasies
LucyNo, no threats
No, no fights
No fantasies
LucyNo, no threats
No, no fights
No fantasies
