

# Squeeze-Wax

## Cocteau Twins

There is a wait and that's what hurt  
Makes it happen, fill the gap  
It spreads her hair all about  
My steps, if I do it slow  
No, no threats  
No, no fights  
No fantasies  
Lucy  
I hurry back to make him feel  
(Lucy, Lucy, Lucy)  
I have to make him feel better  
(Lucy, Lucy)  
And oh, I know, no I can't freshness  
You amaze me  
No, no threats  
No, no fights  
No fantasies  
Lucy  
No, no threats  
No, no fights  
No fantasies  
Lucy  
How he'll never come to freshness  
You amaze me  
How he'll never come to freshness  
You amaze me, you amaze me  
(You amaze me)  
How he'll never come to freshness  
(You amaze me)  
Looking at love as faces I could give this  
(You amaze me)  
No threats, no fights, no fantasies  
(You amaze me)  
You amaze me, you amaze me  
No, no threats  
No, no fights  
No fantasies  
Lucy  
No, no threats  
No, no fights  
No fantasies  
Lucy  
No, no threats  
No, no fights  
No fantasies
