

I'd Really Love to See You Tonight

Kelly Jones

Hello, yeah, it's been a while
Not much, how 'bout you?
I'm not sure why I called

I guess I really just wanted to talk to you
And I was thinking maybe later on
We could get together for a while

It's been such a long time
And I really do miss your smile
I'm not talking 'bout moving in
And I don't want to change your life
But there's a warm wind blowing

The stars are out and I'd really love to see you tonight
We could go walking through a windy park
Or take a drive along the beach
Or stay at home and watch TV

You see, it really doesn't matter much to me
I'm not talking 'bout moving in
And I don't want to change your life
But there's a warm wind blowing

The stars are out and I'd really love to see you tonight
I won't ask for promises
So you don't have to lie

We've both played that game before
Say I love you, then say goodbye
I'm not talking 'bout moving in
And I don't want to change your life
But there's a warm wind blowing

The stars are out and I'd really love to see you tonight
I'm not talking 'bout moving in
And I don't want to change your life
But there's a warm wind blowing

the stars are out and I'd really love to see you tonight
I'm not talking 'bout moving in
And I don't want to change your life
But there's a warm wind blowing
the stars are out and I'd really love to see you
