

# I Found A New Way

## Twin Peaks

I found a new way  
To open up my mind  
I'd love to tell you 'bout it, honey  
If you could find the time And I can see the future  
I can see the weather change  
I can see from here to L.A.  
And I know that everywhere's the same I FOUND A WAY  
I FOUND A WAY I found a new way  
To open up the day  
All you gotta do is follow me through  
And I know that you'll be ok  
And I found a new way  
To open up my mind  
All you gotta do is follow me through  
And I know that you'll be fine I FOUND A WAY  
I FOUND A WAY I found a new way  
A new way to see  
Just come over here and give me your ear  
Let me tell you how good it could be I can see the future  
I can see the weather change  
I can see from here to New York City  
And I know that every place is the same  
I FOUND A WAY  
I FOUND A WAY I see the dark sky coming  
I know it's on its way
