

# Blue Eyes

## Cary Brothers

Wish enough, wise man'll tell you a lie  
Window broke, torn up screens  
Who'd have thought that you'd dream  
Of a single tragic scene I just want to sing a song with you  
I just want to take it off of you 'Cause Blue Eyes  
You are all that I need  
'Cause Blue Eyes  
You're the sweet to my mean Fess it up, dot on the palm of your hand  
I can help you to stand  
Saved it up for this dance  
Tell me all the things you can I just want to sing a song with you  
I just want to be the one that's true 'Cause Blue Eyes  
You're the secret I keep  
'Cause Blue Eyes All the lights on and you are alive  
But you can't point the way to your heart  
So sublime, when the stars are aligned  
But you don't know  
You don't know the greatness you are 'Cause Blue Eyes  
You are destiny's scene  
'Cause Blue Eyes  
I just want to be the one I just want to sing a song with you  
I just want to get it on with you 'Cause Blue Eyes  
You're the secret I keep  
'Cause Blue Eyes  
I just want to sing a song with you I just want to sing a song with you  
I just want to sing a song with you
