Confusion

Charles Bradley

Can you stop the storm?
Can you stop the rain?
Can you stop the love?Feel!
Breathe!
Confusion!
Confusion!People like to talk
Like to whisper in your ear
Think a fool could make a change
Feel up and all that feelConfusion!
Confusion!
Confusion!
Confusion!It's in the daily news
It's on the TV screen
Leaders like to talk at times
To a frame, to walk that walkWho you gonna trust?
Before the world turn to dust
Who you gonna trust?
Before the world turn to dustConfusion!
Confusion!
Confusion!
Confusion!All of the world
Come onConfusion!
Confusion!
Confusion!
Confusion!Shake it
Make it rightConfusion!
Confusion!
Confusion!
Confusion!Confusion!
Play with it
Confusion!
