You're Losing Me

Zucchero

The snow is in the north
The icy wind is blowing
In seas that I don't know
You're losing me, babe
My eyes are filled with crying
For seven days now
If you don't come back to me
I feel the flood is coming
You're losing me
You're losing me
You're losing me, yeah
From deep into the night in seas that I don't know
A hurricane is raging in my emotions
The mist begins to rise
You're losing me, babe
My heart is ever changing
For seven days now
If you don't come back to me
I see the flood is coming
You're losing me
You're losing me
You're losing me
Rain on my face is like a river
All I can do is let it run
Ice in my blood that makes me shiver
I need your smile to bring me back the sun
If you don't come back to me
I see the flood is coming, yeah
You're losing me
You're losing me
You're losing me
