

Wanna Be With You

Earth, Wind & Fire

I wanna be with you
Wanna be, wanna be, wanna be
Be with you
Wanna be, wanna be, wanna be
Be with you
Wanna be, wanna be, wanna be
Be with you
Wanna be, wanna be
Be with you
I wanna be with you Yesterday seems like so long ago
This space I'm in, reminds me so
Of the times, I use to rip and run
Shootin' my guns and out for fun As time passed by, I changed my point of view
Started to search for someone like you
You made me feel so much love from the heart
Enough to know we'll never part I wanna be with you
That's all I want to do
I wanna be with you
That's all I want to do
I wanna be with you
That's all I want to do
I wanna be with you
I wanna be with you Look at you, like someone from a dream
You came to me in time of need
You are the best, you're different from the rest
You take the cake for goodness sake I take you out to prove that it's true
The greatest love I ever knew
Is in my arms for more than just a night
'Cause baby, now you are my life I wanna be with you
That's all I want to do
I wanna be with you
That's all I want to do
I wanna be with you
That's all I want to do
I wanna be with you
I wanna be with you You're the greatest love I'll ever
I wanna be with you I wanna be with you
That's all I want to do
I wanna be with you

That's all I want to do
I wanna be with you
That's all I want to do
I wanna be with you I wanna be with you
Wanna be, wanna be, wanna be
Be with you
Wanna be, wanna be, wanna be
Be with you
Wanna be, wanna be, wanna be
Be with you
Wanna be, wanna be
Be with you
