

# New Boobs

## NOFX

You go Now, something is lacking  
I'm not attracting  
My boobs are not as big as I want them to be  
I want 36 DI'm not receiving enough affection  
Gonna get me a silicon injection  
And fulfill my dreams  
Bust outta my seams My social life is pathetic  
I can't find a man  
What I need is cosmetic surgery  
Be the best I can be Proteins, and milkshakes  
Mass vitamin consumption  
Who needs to diet when liposuction  
Is painless and quick, local anesthetic I know what I want Now my body is a model  
Of flawless perfection  
I most certainly will cause an erection  
Wherever I go, but I still don't know The reason why I can't find a mate  
Guys I meet ejaculate  
Then leave through the door  
I can't take anymore New boobs, jugs  
New boobs, jugs  
New boobs, jugs
