I'll Be Over You

Toto

Some people live their dreams
Some people close their eyes
Some people's destiny
Passes byThere are no guarantees
There are no alibis
That's how our love must be
Don't ask whyIt takes some time
God knows how long
I know that I can forget youAs soon as my heart stops breakin'
Anticipating
As soon as forever is through
I'll be over youRemembering times gone by

As soon as forever is through
I'll be over youRemembering times gone by
Promises we once made
What are the reasons why
stays the same There were the nights holding you

Nothing stays the sameThere were the nights holding you close Someday I'll try to forget them Someday I'll be over youAs soon as my heart stops breakin' Anticipating

As soon as forever is through
I'll be over youAs soon as my heart stops breakin'
Anticipating, someday I'll be over you
As soon as my heart stops breakin'
Anticipating, someday I'll be over you
As soon as my heart
Anticipating
