

Sober and Irrelevant

In Flames

We used to be original
But now I tremble in fear
I am like everyone else
Alabary spellIs this how it feels to reach black bottom
Want to know how it feels to be forgottenI become the distance
I am the sober and irrelevant
I don't feel but in this
What is there to believe?I'm not asking for much
Just a moment
A chance to pick up the pieces
Happiness please come homeWhat if it ends right here
How do I change it
Hoping to find the Savior
I lost my wayI become the distance
I am the sober and irrelevant
I don't feel but in this
What is there to believe?Is this how it feels to reach black bottom
Want to know how it feels to be forgotten
Hoping to find the Savior
I've lost my wayI become the distance
I am the sober and irrelevant
I don't feel but in this
What is there to believe?
