Drive

JUDE

Drive by JUDE.I think that after this drive I'll be fine,
and nothing around expect for you was in my mind
depicting someone I wanted to meet.
You think that time will pay its dues --
But time is overdue.I've given you time
I've given you time
I've given you timeYou think that after this drive I'll die;
I'll never pass those county lines again.
And you may be right,
but it wasn't worth it in the end,
it wasn't worth it in the end, noI've given you time
I've given you time
I've given you time
You know time
I've given you time
I've given you time
I've given you timeAnd nothing can change how you see
It's only a matter of time
And no one sees they can never come clean
But I sit in this car and remind myself
That I'll be fineI've given you time
I've given you time
I've given you time
You know time
I've given you time
I've given you time
I've given you time
