

Life Is A Highway (Jesse Bloch Bootleg)

Tom Cochrane

Life's like a road that you travel on
When there's one day here and the next day gone
Sometimes you bend, sometimes you stand
Sometimes you turn your back to the wind
There's a world outside every darkened door
Where blues won't haunt you anymore
Where the brave are free and lovers soar
Come ride with me to the distant shore
We won't hesitate, break down the garden gate
There's not much time left today Life is a highway
I want to ride it all night long
If you're going my way
I want to drive it all night long Through all these cities and all these towns
It's in my blood and it's all around
I love you know like I loved you then
This is the road and these are the hands
From Mozambique to those Memphis nights
The Khyber Pass to Vancouver's lights
Knock me down get back up again
You're in my blood I'm not a lonely man There's no load I can't hold
Road so rough, this I know
I'll be there when the light comes in
Tell 'em we're survivors Life is a highway
I want to ride it all night long
If you're going my way
I want to drive it all night long Life is a highway
I want to ride it all night long
If you're going my way
I want to drive it all night long There was a distance between you and I
A misunderstanding once but now
We look it in the eye There's no load I can't hold
Road so rough this I know
I'll be there when the light comes in
Tell 'em we're survivors Life is a highway
I want to ride it all night long
If you're going my way
I want to drive it all night long Life is a highway
I want to ride it all night long
If you're going my way

I want to drive it all night long
Life is a highway
I want to ride it all night long
If you're going my way
I want to drive it all night long
