

# It's 1200 Miles From Palm Springs To Texas

## Dean Martin

It's 1200 miles from Palm Springs to Texas  
But tonight it's right next door  
For a week each year  
It's the old frontier That's what brings them here, western atmosphere  
You can't tell the dudes from real riding cowboys  
When they sashay across the floor  
There's the circus means, lots and lots of thrills Folks from Houston yeah, and from Beverly Hills  
Clowning from the Shamrock right to the Almiria door  
You'll find it's 1200 miles from Palm Springs to Texas  
But tonight it's right next door Do you see that parade  
Do you hear that parade  
Coming down Palm Canyon Drive  
But if you see that parade Come on and cheer that parade if you're 8 or 85  
Who's that riding up ahead  
Why it's the governor of Texas someone said  
What's he doing up this way Why it Palm Springs and Texas day  
Ah, you can't tell the dudes from real riding cowboys  
When they sashay across the floor  
Folks are trading in all their Cadillacs For those pinto ponies and cowhide slacks  
And there's no one left down at Neiman Marcus' store  
Because it's 1200 miles from Palm Spring to Texas  
But tonight it's right next door
