Microwaved

Pitchshifter

Systematic abuse on a daily basis
You're a racist, you don't know why?
Evidence of your intrusion, multiplied by my contusions
You can't suture the future, though you might tryBecause we're cut, dried, microwaved
Safe in the knowledge that we'll be saved
Because we're cut, dried, microwaved
Safe in the knowledge that we'll be savedYou say there's no black in the union jack
But you can't give me a single reason why
I say there's no common wealth in the commonwealth
'Cause it's the color of your money matters since the day the country diedBecause we're cut, dried, microwaved
Safe in the knowledge that we'll be saved
Because we're cut, dried, microwaved
Safe in the knowledge that we'll be savedMicrowaved, microwaved
Microwaved, microwavedAnd don't you read the papers?
Economics is gonna save us and science never sleeps
'Cause science never sleepsBecause we're cut, dried, microwaved
Safe in the knowledge that we'll be saved
Because we're cut, dried, microwaved
Safe in the knowledge that we'll be savedBecause we're cut, dried, microwaved
Safe in the knowledge that we'll be saved
Because we're cut, dried, microwaved
Safe in the knowledge that we'll be savedBecause we're cut, dried, microwaved
Safe in the knowledge that we'll be saved
Because we're cut, dried, microwaved
Safe in the knowledge that we'll be saved
