

# The Great Escape

## KIDZ BOP Kids

Paper bags and plastic hearts  
All our belongings in shopping carts  
Goodbye, we got one more nightLet's have fun and ride around  
Make peace with an empty town  
We can make it rightThrow it away, forget yesterday  
We'll make the great escape  
Won't hear a word they say  
They don't know us anywayWatch it turn, let it fly  
'Cause we are finally free tonightTonight will change our lives  
It's so good to be by your side  
But we'll cry, we won't give up the fightScream loud at the top of our lungs  
They'll think it's just 'cause we're young  
And we'll feel so aliveThrow it away, forget yesterday  
We'll make the great escape  
Won't hear a word they say  
They don't know us anywayWatch it turn, let it fly  
'Cause we are finally free tonightAll of the wasted time and  
Hours that were left behind it  
Answers that we'll never find  
They don't mean a thing tonightThrow it away, forget yesterday  
We'll make the great escape  
Won't hear a word they say  
They don't know us anywayThrow it away, forget yesterday  
We'll make the great escape  
Won't hear a word they say  
They don't know us anywayWatch it turn, let it fly  
'Cause we are finally free tonight
