

Take It Or Leave It

Young Love

Trying hard to have a good time, you bring me down
Always talking to another guy when we go out
Don't I hold you enough, it seems that I don't have much to say
(Nothing to say to you)
Should I find someone else, should I forget you like you were yesterday No, no, take it or leave it, no, no, I take
it we're leaving
No, no, take it or leave him, no, no, I take it you're leaving Every time I try to get high, you bring me down,
down, down
Wonder who I'm out with, when you're not around
I can't stop thinking about you, I'm trying
I don't know why you do the things you do
This was fun high five our time is up
I guess I'll see you around, see you around, see you around No, no, take it or leave it, no, no I take it we're
leaving
No, no, take it or leave him, no, no I take it you're leaving Trying hard to have a good time
Trying hard to have a good time
Trying hard to have a good time
Trying hard to have a good time No, no, take it or leave it, no, no, I take it we're leaving
No, no, take it or leave him, no, no, I take it we're leaving
No, no, take it or leave it, no, no, I take it we're leaving
