Idiots Rule

JaneÂ’s Addiction

I got a lie, fat fuckin' lie 'bout a law idiots obey
They made it easy, cheaters have their way
You hi di ho, you're livin' on your kneesForget the rule
Oh, oh oh oh, idiots rule
Forget the rule
Oh, oh oh oh, idiots ruleNow there's a time but I say none like now
Men, there's a time where idiots are bound
If there's a pole planted in your back
Then you're a fixture, you're no manForget the rule
Oh, oh oh oh, idiots rule
Forget the rule
Oh, oh oh oh, idiots ruleC'mon, kiss you, motherfucker
Fuckin', suckin', take itIdiot, idiots rule
Idiot, idiots rule
You idiot, idiots rule, yeahYou know that man you hate?
You look more like him every day
Hi di hosToo good shoe won't save your soul, yeah ha
Idiots rule, idiots rule
Idiots rule, oh, yeah[Inaudible]
