Praise Partner

Judy Jacobs

Somebody go â€œWooâ€•
Are there any praisers in the house tonight? shout YES?

Would you be my praise partner help me praise the Lord, (HEY)
Would you be my praise partner help me praise the Lord
I could praise HIM by myself, but thereâ€™s more power with your help,
Would you be my praise partner, somebody and help me praise the Lord ! 2X

Thereâ€™s a principal in the Bible that says this:

**Understand the power of agreement
Where two or three are gathered in His name,
Thereâ€™s comes a supernatural expectation,
And thereâ€™s a force that is unveiled â€“ that will shake the gates of hell

Now the Bible says this, â€œwhere 2 or 3 are gathered together in My Name â€“ there am I in the midstâ€•
And how many that Jesus is here and if you believe it shout AMEN.
The Bible also says in Matthew 18:19 â€“ â€œThat if any two of you shall agree on earth as touching any one thing, it shall be done of them of my Father, The World says that, one of you can put a thousand to flight,
But two of us can put ten thousand to flight,

Now my question tonight is if one of us can put a thousand to flight and two of us can put ten thousand to flight
what would the people of God together
An Hundred
A Thousand
Ten Thousand
People here in Tennessee and around the world (go to **)

If I sing, will you sing? Help me praise the Lord â€“ X2
If I clap, will you clap?
If I shout, will shout?
If I dance, will you dance?

I could praise HIM by myself, but thereâ€™s more power with your help,
Would you be my praise partner, somebody help me praise the LORD!!
