[Sarantos](#)

Not Where I Wanna BeIntroI'm turning 30 tomorrow(sigh)Verse 1I'm not, where I wanna be  
Can't help seeing this reality  
Don't know where it all went wrong  
Only feel like writing a songChorus 1I woke up today, feeling the same  
I can't help but feel, my life is not realAll these dreams, I dream of every night  
All these years, I yearn for the fightVerse 2Once, I was so sure  
I stood on top of the world  
Nothing I couldn't do  
My heart always so trueChorus 2But I woke up today, feeling the same  
I can't help but feel, my life is not realAll these dreams, I dream of every night  
All these years, I yearn for the lightInstrumentalWishI wish I could, I wish I might  
All I want is to make a wish tonightVerse 3I wish that I could  
I wish  
I wish that I might  
All I want, is to, make a wishMake a wish tonight  
And all these dreams, I dream of every nightExtroI'm not where I wanna be  
But I'm still the same old me
