Hunger

Ross Copperman

One look and I can't catch my breath
Two souls into one flesh
When you're not next to me
I'm incomplete'Cause I'm on fire like a thousand suns
I couldn't put it out even if I wanted to
These flames tonight
Look into my eyes and say you want me, too
Like I want youOh, love, let me see inside your heart
All the cracks and broken parts
The shadows in the light
There's no need to hide'Cause I'm on fire like a thousand suns
I couldn't put it out even if I wanted to
These flames tonight
Look into my eyes and say you want me, too
Like I want youIt's like a hunger in me
Yeah, it's never ending
Yeah, I'll burn for you (I'll burn for you)
It's like a hunger in me
Yeah, it's never ending
Yeah, I'll burn for you (I'll burn for you)I'm on fire like a thousand suns
I couldn't put it out even if I wanted to
These flames tonight
Look into my eyes and say you want me, too
Like I want youI got a hunger in me
I got a hunger in me
