

Nixon's Spirit

[Paul Oakenfold](#)

"This is a message for Paul Oakenfold, how are you?
Its Anita Baymont Hunter Thompson's assistant,
I'm going through the messages,
Just getting back to you to let you know that Hunter did get the CD's,
I've listened to them and I'm excited and Hunter has listened to them and
He is interested. So eh we'll give you call back in a couple of days,
Yeah so um great stuff we'll talk soon thanks bye." "Let me just read this." "Nixon's spirit will be with us for the
rest of our lives
Whether your are me or Bill Clinton or you
Or Kurt Cobain or Bishop Tutu or Keith Richards
Or Aimee Fisher or Boris Yeltsin's daughter
Or her finance's sixteen year old beer drunk brother
With his braided goatee with his whole like a thunder cloud right in front of him." "This is not a generational
thing you don't even have to know
Who Richard Nixon was to be a victim of his ugly Nazi experiments."
