

# Hang Loose (iTunes Session)

## Alabama Shakes

Dont worry sweet baby!  
Dont you ever worry bout a thing  
Put your worries on the shelf  
learn to love yourself, don't be your  
own worst enemy.

Chorus:

Hang loose, hang loose  
Hang loose, hang loose  
Flow with the time and Imma take care of you! Come with me, sweet darling  
I got. a ticket for the plane  
We gonna fly to Wikiki, it just be you and me  
And well let the sun melt our cares away.

Chorus:

Hang loose, hang loosele the ocean worry bout being blue  
Hang loose, hang loose  
Flow with the time and Imma take care of you! Alright, we gonna be alright  
Alright, you gonna be alright! I hang loose  
I hang loose  
Hang loose  
I hang loose
