

Ain't Ready...

[Tinashe](#)

Honestly I'm in the long run
Just began
'Bout a year and promise I'll move on
Nearly done
Hopefully when I hit 21 I'll be done
Talk to me, lets have a little fun
Some people wasn't feelin' me
Said I was being naive
Following my instincts
Trusting my own feelings
I was put in over time
Steady keep up the grind
Now I'm about to blow your mind
Race you to the finish line
Oh oh ain't ready
Ain't ready
Ain't ready
No you ain't ready
Ain't ready
Ain't ready
Ain't ready
No you ain't ready
Ain't ready
Ain't ready
Ain't ready
No they ain't ready
Ain't ready
