

Fifth In Line To The Throne

Camera Obscura

I gave you a regal name
Cause you treat me like a queen,
But like a queen I don't know when I will be slain
Now I'm fifth in line to the throne
How am I going to tell my king that
I don't trust his throne anymore? If you want me to leave, then I'll go
If you want me to stay, let it show
Do you want me to leave, let me know?
Just let me know I have seen your deepest flaws
I'm ashamed to say
they made me want you more
Oh I was in awe If you want me to leave, then I'll go
If you want me to stay, let it show
Do you want me to leave, let me know?
Just let me know If you want me to leave, then I'll go
If you want me to stay, let it show
Do you want me to leave, let me know?
Just let me know Let me know
Let me go
