

# Wishing You Were Somehow Here Again

[Andrew Lloyd Webber](#)

Little Lottie thought of everything and nothing  
Her father promised her that he  
Would send her The Angel Of Music  
Her father promised her  
Her father promised her You were once my one companion  
You were all that mattered  
You were once a friend and father  
Then my world was shattered Wishing you were somehow here again  
Wishing you were somehow near  
Sometimes it seemed if I just dreamed  
Somehow you would be here Wishing I could hear your voice again  
Knowing that I never would  
Dreaming of you won't help me to do  
All that you dreamed I could Passing bells and sculptured angels  
Cold and monumental  
Seemed for you the wrong companions  
You were warm and gentle Too many years fighting back tears  
Why can't the past just die? Wishing you were somehow here again  
Knowing we must say good bye  
Try to forgive teach me to live  
Give me the strength to try No more memories no more silent tears  
No more gazing across the wasted years  
Help me say good bye
