

# Beat the Devil's Tattoo (iTunes Session)

## Black Rebel Motorcycle Club

You have forsaken all the love you've taken  
Sleeping on a razor, there's nowhere left to fall  
Your body's aching, every bone is breaking  
Nothing seems to shake it, it just keeps holding on  
Your soul is able, death is all you cradle  
Sleeping on the nails, there's nowhere left to fall  
You have admired, every man desires  
Everyone is king when there's no one left to pawn  
There is no peace here, war is never cheap here  
Love will never meet it, it just gets sold for parts  
You cannot fight it, all the world denies it  
Open up your eyelids and let your demons run  
I thread the needle through  
You beat the devil's tattoo  
I thread the needle through  
You beat the devil's tattoo I thread the needle through  
You beat the devil's tattoo  
I thread the needle through  
You beat the devil's tattoo I thread the needle through  
You beat the devil's tattoo  
I thread the needle through  
You beat the devil's tattoo I thread the needle through  
You beat the devil's tattoo  
I thread the needle through  
You beat the devil's tattoo
