

Lomathafa

Sibongile Khumalo

Kudala ndihamba madolo adiniwe
ndibe ndithunyiwe ngumama notata ndifun'umtakwethu kulomathafa,
andimfumani.
Ndinyuk'intuli ndihli imifula ndikhwezi'ntaba
kunye namawa
emahlathini ndonzakele andimfumani.
Ndobhekaphi na ndotshonaphi na ukuze ndibe nombona
bantu ncedani nindixelele ngomtakwethu uThamsanqa
kuliwelela
