

Tomorrow's Gonna Be A Brighter Day

[Jim Croce](#)

Well, I'm sorry for the things that I told you
But words only go so far
And if I had my way
I would reach into heaven
And I'd pull down a star for a present
And I'd make you a chain out of diamonds
And pearls from a summer sea
But all I can give you is a kiss in the morning
And a sweet apology Well, I know that it hasn't been easy
And I haven't always been around
To say the right words
Or to hold you in the mornin'
Or to help you when you're down
I know I never showed you much of a good time
But baby things are gonna change
I'm gonna make up for all of the hurt I brought
I'm gonna love away all your pain And tomorrow's gonna be a brighter day
There's gonna be some changes
Tomorrow's gonna be a brighter day
This time you can believe me
No more cryin' in your lonely room
And no more empty nights
'Cause tomorrow mornin' everything will turn out right Well, there's something that I've got to tell you
Yes I've got something on my mind
But words come hard
When your lying in my arms
And when I'm looking deep into your eyes
But there's truth and consolation
And what I'm trying to say
Is that nobody ever had a rainbow baby
Until he had the rain
