I'm Not Worried At All

Moby

All round me burdens
Seem to fall
I'm not worried at all
I'm not worried
All round me burdens
Seem to fall
I'm not worried at all
I'm not worried at all
I don't worry
All way long
I don't worry
All way long
All round me burdens
Seem to fall
I'm not worried at all
I'm not worried
All round me burdens
Seem to fall
I'm not worried at all
I'm not worried at all
I don't worry
All way long
I don't worry
All way long
All round me burdens
Seem to fall
I'm not worried at all
I'm not worried
All round me burdens
Seem to fall
I'm not worried at all
I'm not worried at all
Just I'm not evil
I just cannot see
He told me to pray
Just for me
Just I'm not evil
I just cannot see
He told me to pray

Just for me
All round me burdens
Seem to fall
I'm not worried at all
I'm not worried
All round me burdens
Seem to fall
I'm not worried at all
I'm not worried at all
I'm not worried at all, I'm not worried at all
I'm not worried at all, I'm not worried at all
I'm not worried at all, I'm not worried at all
I'm not worried at all, I'm not worried at all
