Sorry

Elizaveta

If you knew how I feel
Would it help you be kind
Would you let me reveal
What I've had on my mind'Cause I want what I want
and I love who I love
But you brought me so low
I just want to give upWhen you say that you know me
You don't even see
That the child you remember
Is not all of meAnd I choose what I choose
And I love who I love
And I've given so much
But it's never enoughI'm sorry, sorry
I'm not who you want me to be
Sorry, it's not my fault you live in miseryYeah, I've made my mistakes but I'm happy to pay
They are mine, they're not yours
I've let go of my shame
They are part of the girl I'm becoming todayI won't carry your guilt
I won't shoulder your blameI'm sorry, sorry
I'm not who you'd wished I'd become
Sorry you feel alone
Sorry I let you downI don't want to fight anymore
Maybe I've gone cold
But I have heard all this before
It's not my faultSorry, sorry I'm not who you want me to be
Sorry if I've let you down
Sorry I want to be freeSorry I'm all you've got
Sorry I want to be free
