

# Shed so Many Tears

**Isaac Payton Sweat**

Darling you know I love you so  
And I'll never let you go  
So forget it that you're leaving  
I'll follow you wherever you go

When I first met you little darling  
You know I gave my love to you  
Now I'm giving new love to my darling  
Tell me what are we gonna do

[Instrumental]

When I first met you little darling  
You know I gave my love to you  
Now I'm giving new love to my darling  
Tell me what are we gonna do

We've been together so long dear  
We've been together for so many years  
Now you're going to leave me darling  
You know I'll shed so many tears
