

I'm a Fool

American Hi-Fi

Got nothing to loose this time and I'm bored with the same old lines
I never know what to do or what to say to you
One look and you'll knock me out
You put me on the floor with a ten count
I don't wanna make a scene, I gotta make you see That I've been waiting for a girl like you
And I know there's nothin' I could do Don't wanna make you hurt
Don't wanna make you feel
Like the world ain't on your side
Like you're never gonna get it right
No I can't fight, I can't sleep at night
Just thinkin' about you girl
I'm a fool for you, yes I am You've been on my mind since I saw you walkin' by
I knew, I had to know you better you were everything
But I didn't know what to say so you just walked away
I couldn't believe what a fool I was to let you go 'Cause that I've been waiting for a girl like you
And I know there's nothin' I could do Don't wanna make you hurt
Don't wanna make you feel
Like the world ain't on your side
Like you're never gonna get it right
No I can't fight, I can't sleep at night
Just thinkin' about you girl
I'm a fool for you, yes I am Then I saw you at the beach, talkin' with my friends
I couldn't believe my eyes, it was my lucky day
So I just asked you out to the forum to see no doubt
When you said you would go, I thought I might explode 'Cause that I've been waiting for a girl like you
And I know there's nothin' I could do Don't wanna make you hurt
Don't wanna make you feel
Like the world ain't on your side
Like you're never gonna get it right
No I can't fight, I can't sleep at night
Just thinkin' about you girl
I'm a fool Don't wanna make you hurt
Don't wanna make you feel
Like the world ain't on your side
No I can't fight, I can't sleep at night
Just thinkin' about you girl
I'm a fool for you, yes I am
Yes I am
I am a fool for you

Yes I am, I am
