Here I Am

Thresher

Hey, hey, baby, hey
I can't change your mind
But if I got to let you go that's what I'll do
But I know it's not right
Give me some time
Girl, I only wanted all that's best for you
True love has to be
(Has to be)
That way with me
(That way with me)
It's not a game
(It's not a game)
It's so for real
Baby, can't you see?
(Can?t you see?)
We're meant to be
(We?re meant to be)
Call my name
(Just call my name)
Out in your dreams
So here I am
(Here I am)
Here I'll stand
(Here I'll stand)
Here I will always be for all eternity
(You want me, baby)
So here I am
(Here I am)
Here I'll stand
(Here I'll stand)
Here I will always be for all eternity
I'm asking why is love so blind?
Why do you have to do the things you do?
Like girl, you're making me cry but it's alright
I will always be right here waiting for you
True love has to be
(Has to be)
That way with me
(That way with me)

It's not a game
(It?s not a game)
It's so for real
Baby, can't you see?
(Can?t you see?)
We're meant to be
(We?re meant to be)
Call my name
(Just call my name)
Out in your dreams
So here I am
(Here I am)
Here I'll stand
(Here I'll stand)
Here I will always be for all eternity
(You want me, baby)
So here I am
(Here I am)
Here I'll stand
(Here I'll stand)
Here I will always be for all eternity
I want you
(I want you)
I need you
(I need you)
Girl, more than ever
I want you
(I want you)
I need you
In my heart, baby
So here I am
(Here I am)
Here I'll stand
(Here I'll stand)
Here I will always be for all eternity
(You want me, baby)
So here I am
(Here I am)
Here I'll stand
(Here I'll stand)
Here I will always be for all eternity
(You want me, baby)
So here I am
(Here I am)
Here I'll stand

(Here I'll stand)
Here I will always be for all eternity
(You want me, baby)
So here I am
(Here I am)
Here I'll stand
(Here I'll stand)
Here I will always be for all eternity
