

All This Time

Maria Mena

You self destructive, little girl
Pick yourself up, don't blame the world
So you screwed up
But you're gonna be okay Now call your boyfriend and apologise
You pushed him pretty far away last night
He really loves you
You just don't always love yourself And all this time
Oh all this time
You have had it in you
You just sometimes need a push
La la la la Think all the mean girls that pulled your hair
Are barefoot now and pregnant dear
And you write pop songs
And get to travel around the world And all this time
Oh all this time
You have had it in you
You just sometimes need a push
La la la la So you've had some detours
Some stupid men
Now we know what not to do again
Besides you lucked out, finally And all this time (all this time)
Oh all this time (all this time)
You have had it in you
You just sometimes need a push
La la la la la
