Aurora Borealis

The Griswolds

You can fly on your own, you can fly on your own, without me
You can fly on your own, search the skies on your own, without me
Yeah
If you wanna please yourself, you can sail the seas, aimlessly
(Eh-oh)
Cause if you live to please yourself, you can fly on your own, without me
(Eh-oh, wooh!)(Eh-oh)
(Eh-oh)You can break all their bones, and set fire to their homes, if you please
When you sing we all smile, we will [?] your whiskey and me
If you want to please yourself, you can fly on your own, without me
(Eh-oh, wooh!)Cause I know you're wounded
And you know I got it
(Eh-oh)
Do you wanna share with me
When the whiskey drives up
You will run away, girl
(Eh-oh)
Where you gonna be for me?You will die on your own, in that cave that you own, without me
You will die by the sword, and be hailed alone, up the sea
Yeah
If you wanna please yourself, you will die on your own, without me
(Eh-oh)
Cause if you live to please yourself, you will die on your own, without meCause I know you're wounded
And you know I got it
(Eh-oh)
Do you wanna share with me
When the whiskey drives up
You will run away, girl
(Eh-oh)
Where you gonna be for me?(Eh-oh)
(Eh-oh)
