

# Do I

Melanie C

Someone said in a book I read  
Love turns on like a light in your head  
When it does, you can't see why  
Just hold on tight, go for a ride

Life can change in a second or two  
That's how it felt when I saw you  
All I need is honesty  
Tell me, baby...

[Chorus:]  
Do I, do I  
Do I feel like someone you could love? Yeah  
Do I, do I  
Do I feel like someone you could hold on to?  
Am I the one  
The one who makes you come undone?  
Do I, do I?

Like a planet spinning around the sun  
Something cosmic has begun  
We won't swim against the tide  
We'll just hold on tight, go for a ride

Lightning strikes in a second or two  
That's how it felt when I saw you  
I can't hold it back no more  
Tell me, baby...

[Chorus]  
  
Do I, do I?  
(Do I, do, do I?)  
Do I, do I?

Something happened when I met you  
I can see in your eyes, you felt it too  
I don't want to talk anymore  
Be my baby

[Chorus]

Do I, do I?

Do I, do I?
