

Headed For A Heartbreak

Winger

Yeah, yeah Morning came and I was on my way
When you reminded me
I had too soon forgotten
It was you that set me free Yeah, you were here when I came
You'll be here when I'm gone
So don't be waiting for love
'Cause I'll be waitin' to ramble on Headed for a heartbreak
Headed for a heartbreak Darling, don't wait up for me
Tonight I won't be home
You've become a stranger
I just got to be alone Don't need nobody on my side
To dull the blade, I'm on
Don't be waitin' for love
'Cause I'll be waitin' to ramble on Headed for a heartbreak
Headed for a heartbreak
Headed for a heartbreak It's no mistake
Don't you think I can feel the pain?
I walk away to live again Headed for a heartbreak
Headed for a heartbreak Don't make me hurt you
Headed for a heartbreak
'Cause I love you
Headed for a heartbreak
Don't you think I feel the pain?
