Change Me

Keri Hilson

You know that I love you
You know that I love you
You know that I need you
You're my air, girl, I breathe youYou know that I love you
You know that I love you
You know that I need you
You're my air, girl, I breathe youSo don't try to change me
So don't try to change me
Why would you change me?
Why would you change me?
Baby, I will let you goSo don't try to change me
So don't try to change me
Why would you change me?
Baby, I will let you goYou know why, I had my, my vices
You said you could handle it
But you lied 'cause you tried
To change me, move me, and noEverything you loved before you don't love no more
Everything I did for you, you don't want no more
Maybe I'm not the fallin' love you've been lookin' for
Would you agree? So how can you not see it?You know that I love you
You know that I love you
You know that I need you
You're my air, girl, I breathe youYou know that I love you
You know that I love you
You know that I need you
You're my air, girl, I breathe youSo don't try to change me
So don't try to change me
Why would you change me?
Why would you change me?
Baby, I will let you goSo don't try to change me
So don't try to change me
Why would you change me?
Baby, I will let you goWhy must I decide on
Whether I love you or the world?
You met me, you fell deeply in love
With me so what is the problem now?Everything you loved before you don't love no more
Everything I did for you, you don't want no more
Maybe I'm not quite the man you've been lookin' for
Would you agree? So how can you not see it?You know that I love you

You know that I love you
You know that I need you
You're my air, girl, I breathe youYou know that I love you
You know that I love you
You know that I need you
You're my air, girl, I breathe youSo don't try to change me
So don't try to change me
Why would you change me?
Why would you change me?
Baby, I will let you goSo don't try to change me
So don't try to change me
Why would you change me?
Baby, I will let you goWhy would you wanna change me, arrange me
Is that what you call love?
Maybe you need somebody different
Somebody who fits you like a glove
But don't change everything that you love
About me when you know that I love youYou know that I love you
You know that I love you
You know that I need you
You're my air, girl, I breathe youYou know that I love you
You know that I love you
You know that I need you
You're my air, girl, I breathe youSo don't try to change me
So don't try to change me
Why would you change me?
Why would you change me?
Baby, I will let you goSo don't try to change me
So don't try to change me
Why would you change me?
Why would you change me?
Baby, I will let you go
So don't try to change me
