

Sound the Alarm

Lily Bee

Sound the alarm youâ€™ve got to wake up your inner child
Before it falls asleep for good
Sound the alarm youâ€™ve got to make up for all the time you lost
Wondering if you could
I know youâ€™ve been nicked and dined
But I canâ€™t think of a better time than now
To sound the alarm

Sound the alarm vacate the building
Go see the real thing with your very own two eyes
Sound the alarm go move a mountain
Jump through the fountain and come out clean on the other side
I know youâ€™ve been nicked and dined
But I canâ€™t think of a better time than now

(Chorus)

You know youâ€™ve got to wake up
It wouldnâ€™t be a mistake, love
In fact, itâ€™s overdue
For you to stop dreaming and do
You know it wonâ€™t be easy
It might even make you queasy
It might take a while for you to reconcile
I know youâ€™ve been nicked and dined
But I canâ€™t think of a better time than now
To sound the alarm

Sound the alarm go tell the village
Youâ€™re off to pillage and tear every inch of this place apart
Sound the alarm you found the treasure
It was the measure of how young you are at heart
I know you think itâ€™s too late
But you wonâ€™t know til you investigate right now

(Chorus)
