Thinking

Roger Daltrey

(spoken)
Break his legs and give him thirty years in jailI was Just
Thinking about a girl
She meant to me the world, she meant the earthI was Just
Thinking about time
Some are left behind, some think were wrongThinking about your face behind my door
Thinking about the love we made on the floor
Thinking I'd like too get back to before
Get back to beforeI was just
Thinking about the rain
The way the seas have changed, you just can't stop 'em.oooh I was just
Thinking about the sun
And you and me on the run, we had some funThinking about the world that it gets no better
Thinking about my love, I should have given more
Thinking I'd like too get back to before
Get back to before(Guitar solo)Thinking about the world that it gets no better
Thinking about my love I should have given more
Thinking I'd like too get back to before
Get back to beforeI was Just
Thinking about a girl
She meant to me the world, she meant the earthoooh I was just
Thinking about the sun
And you and me on the run, we had some funThinking about your face behind my door
Thinking about the love we made on the floor
Thinking I'd like too get back to before
Thinking about the world that it gets no better
Thinking about my love I should have give more
