

# Hey, Mr DJ

## Backstreet Boys

One time here we go (yes, yes one time, yes, yes) I could tell when I stepped in the room  
And I saw you standing there  
Caught in a vibe by the way that you moved  
I couldn't help the way I stared  
There was some mysterious force  
Leading me here to you  
Lead me to you (lead me to you) So I stood there watching  
And I was hypnotized  
By the rhythm of your body  
And the music in your eyes  
And I was lost inside your world with you Hey Mr. DJ keep playin' this song for me  
Out on the floor in my arms she's gotta be  
Let's get it on (let's get it on)  
Jam all night long  
Mr. DJ, Mr. DJ  
Play it play it for me Now it feels like it could be romance  
As we dance across the floor  
Every move that your body makes  
Only makes me want you more  
And it seems like time's moving fast  
How can we make it last?  
Make it last now (make it last some how) As we keep on dancing  
I am hypnotized  
By the rhythm of your body  
And the music in your eyes  
I was lost inside your world with you (with you) Hey Mr. DJ keep playin' this song for me  
Out on the floor in my arms she's gotta be  
Let's get it on (let's get it on)  
Jam all night long  
Mr. DJ, Mr. DJ  
Play it play it for me Close your eyes (close your eyes)  
And imagine us alone (Just imagine)  
Let the music put you in a zone (let the music put you in a zone, a zone yeah)  
I get lost (I get lost)  
Lost inside a groove with you (Lost inside a groove)  
When you do the dance you do  
Come on and work your body, work your body Hey, Mr. DJ  
Jam all night long  
Hey, Mr. DJ

Play that song for me  
Hey, Mr. DJ  
Jam all night long  
Hey, Mr. DJ  
Play that song for me Hey Mr. DJ keep playin' this song for me  
Out on the floor in my arms she's gotta be  
Let's get it on (let's get it on)  
Jam all night long  
Mr. DJ, Mr. DJ  
Play it play it for me Hey Mr. DJ keep playin' this song for me  
Out on the floor in my arms she's gotta be  
Let's get it on (let's get it on)  
Jam all night long  
Mr. DJ, Mr. DJ  
Play it play it for me Keep it comin' Mr. DJ  
Oh
