Made Of - Radio Edit

Nause

(Of, of, of, of)
This is what I'm made of
(Of, of, of)

You can try but never stop me
This is what I'm made of
I will never ever let go
This is what I'm made of
No one can control me
'Cause this is what I'm made of
You can hate but never break me
This is what I'm made of
This is what I'm made of

You can try but never stop me
This is what I'm made of
I will never ever let go
This is what I'm made of
No one can control me
'Cause this is what I'm made of
You can hate but never break me
This is what I'm made of
This is what I'm made of

You can try but never stop me
This is what I'm made of
I will never ever let go
This is what I'm made of
No one can control me
'Cause this is what I'm made of
You can hate but never break me
This is what I'm made of
This is what I'm made of

You can try but never stop me
This is what I'm made of
I will never ever let go
This is what I'm made of
No one can control me
'Cause this is what I'm made of

You can hate but never break me
'Cause this is what I'm made of
'Cause this is what I'm made of
