It Hurts Every Time

Good Old War

I look away and you're gone
Less than a day and you're gone
There's something wrong with me
I can't seem to keep ya
I look away and you're gone
You're gone

I get it right and you're gone
Less than a night and you're gone
Can someone tell me why it hurts every time
I look away and you're gone
You're gone

The last time I saw you
I fell asleep staring at the stars

Can someone tell me why it hurts every time
I look away and you're gone
You're gone

The last time I saw you
I fell asleep staring at the stars

Can someone tell me why it hurts every time
I look away and you're gone
You're gone
You're gone
