I have a purpose, I have a purpose
I have a purpose, I have a purpose
I have a purpose, I have a purpose
I have a purpose, I have a purpose
I have a purposeTake your little knife, stab me
Go, strike my heart
Take your little knife, stab me
Go, strike my heartI have a purpose, I have a purpose
I have a purpose, I have a purposeSuch things can't exist
Such things can't existI have a purpose, I have a purpose
I have a purpose, I have a purpose
I have a purposeYou will tell them of me
And how one day I shall come for them
You will tell them of me
And how one day I shall come for themI have a purpose, I have a purpose
I have a purposeQuietly, I will come over your bed
I will lean over and gently bite your neckRingmaster, ringmaster
