

# Get Down

## Monica

I don't want to make this sound so cold  
But every now and then, I'm gonna let you know, oh  
There's gotta be something givin' to me  
All you need to know is that, I'm a fly young lady So do what you got to do if it's me you chose  
But I got the oh's baby, yah, hear oh  
I'm gonna give up some time if it's worth my while  
'Cause it's my world, I'm playin' my game You gotta get down  
With the way, I'm runnin' things  
Or you won't be around  
You gotta get down with me, me You gotta get down  
With the way it's gotta be  
Turn your frown to a smile  
You gotta get down with me, me You gotta get down  
Ooh baby, oh you gotta get down with me  
Down, hey  
Down, down, um, yeah  
You gotta get down with me, me I've heard your kinda nice  
(What's yours now it's that slow [unverified])  
Take the time, learn the ways then we can roll  
Have you ever met a girl that knows her thang  
Lookin' kinda fly but baby can you swang So do what you got to do if it's me you chose  
But I got the oh's baby, I got the oh's baby  
I'm gonna give up some time if it's worth my while  
'Cause it's my world, I'm playin' my game You gotta get down  
With the way, I'm runnin' things  
Or you won't be around  
You gotta get down with me, me You gotta get down  
With the way it's gotta be  
Turn your frown to a smile  
You gotta get down with me, me You gotta get down  
Ooh baby, oh you gotta get down with me  
Down, hey  
Down, down, um, yeah  
You gotta get down with me, me You gotta get down  
With the way, I'm runnin' things  
Or you won't be around  
You gotta get down with me, me You gotta get down  
With the way it's gotta be  
Turn your frown to a smile

You gotta get down with me, me You gotta get down  
Ooh baby, oh you gotta get down with me  
Down, hey  
Down, down, um, yeah  
You gotta get down with me, me You gotta get  
Down  
You gotta get  
Down  
You gotta get  
Down You gotta get down  
With the way, I'm runnin' things  
Or you won't be around  
You gotta get down with me, me You gotta get down  
With the way it's gotta be  
Turn your frown to a smile  
You gotta get down with me, me You gotta get down  
Ooh baby, oh you gotta get down with me  
Down, hey  
Down, down, um, yeah  
You gotta get down with me, me You gotta get down  
With the way, I'm runnin' things  
Or you won't be around  
You gotta get down with me, me You gotta get down  
With the way it's gotta be  
Turn your frown to a smile  
You gotta get down with me, me You gotta get down  
Ooh baby, oh you gotta get down with me  
Down, hey  
Down, down, um, yeah  
You gotta get down with me, me
