

# Clumsy

## Our Lady Peace

Throw away the radio, suitcase keeps you awake  
Hide the telephone, the telephone  
Telephone, in case you realize  
That some days, you're just not okay  
You'll level off, you'll level off, you'll level off And it's not alright now  
You need to understand  
There's nothing strange about this  
You need to know your friends  
You need to know that I'll be wavin' my hand  
Watching you drown  
Watching you scream  
Quiet or loud And maybe you should sleep  
And maybe you just need, a friend  
As clumsy as you've been  
There's no one laughing  
You will be safe in here  
You will be safe in here Throw away this very old shoelace  
It tripped you again  
Try and shrug it off, shrug it off, shrug it off It's only skin  
Now you need to understand  
There's nothing fake about this  
You need to let me in  
Watching you and I'll be waving my hand  
Watching you drown  
Watching you scream  
No one's around And maybe you should sleep  
And maybe you just need, a friend  
As clumsy as you've been  
There's no one laughing  
You will be safe in here  
You will be safe in I will be waving my hand  
Watching you drown  
Watching you scream  
Quiet or loud And maybe you should sleep  
And maybe you just need, a friend  
As clumsy as you've been  
There's no one laughing  
You will be safe in here  
You will be safe in here Well, you will be safe in here

In here, in here

In here, in here

In here, in here
